

Regional Office Opens

We are pleased to announce the opening of our new Regional Office in Huntingdon. This expansion will help us service the growing number of enquires we receive from London and the Home Counties. We have already put together a full schedule of courses to run throughout the year which can be found on our [events page](#).

We continue to offer our very competitive on-site training so for groups of three or more why not contact us for a quotation. Remember all our standard courses can be tailored to meet the needs of your organisation.
